Assumptions Used in Arriving at Fiscal Estimate

This fiscal estimate, prepared by DATCP, relates only to sections 40-48 of the bill. These sections present some modifications to s. 100.31, Stats., wholesale drug price discrimination.

The department has occasionally investigated possible violations of "Unfair discrimination in drug pricing". We do not expect this bill to have any material effect on the amount of staff time and other resources used in this type of investigation.
