Assumptions Used in Arriving at Fiscal Estimate

This legislation will increase the number of individuals who can receive nonresident tuition exemptions. It is not possible, at present, to determine the number of individuals who will fall into the proposed category and who would choose to attend UW institutions. In addition, this legislation will apply retroactively to students who are enrolled at a UW System institution during the spring 2004 semester. For any individual who becomes eligible as per the proposed legislation, UW System will lose approximately \$10,000 per year (the average difference between resident and non-resident tuition).
