AGENCY REPORTS

State of Wisconsin
Legislative Audit Bureau
Madison

March 12, 2003

To the Honorable, the Legislature:

As requested by the Joint Legislative Audit Committee, we have completed an evaluation of the Milwaukee Area Technical College (MATC) District. During fiscal year (FY) 2001-02, MATC enrolled 12,504 full-time equivalent (FTE) students, and its total operating expenditures were \$152.0 million. It received \$29.2 million in general and categorical state aids, in addition to revenue from local property taxes, tuition and fees, and contracts to provide specialized training.

Uncertainty about MATC's financial status led to the attachment of a "negative outlook" to its debt rating in December 2001, in part because of a projected general fund budget deficit of \$3.5 million. The district was able to eliminate the deficit and ended FY 2001-02 with a surplus of \$784,000. Because of the surplus and the level of reserve funds the district was able to maintain, the negative outlook was removed in December 2002. However, MATC will need to continue to monitor its financial condition, including its management of employee health care costs. In October 2002, MATC signed an agreement with its unions that achieved significant health care plan changes intended to control costs. However, to achieve union acceptance, MATC signed agreements with its unions to forego further plan changes until mid-2007. These agreements could limit MATC's ability to address future health care cost increases.

We also examined the operations of MATC's nine-member Board of Directors, which is appointed by local school board presidents. We include a recommendation that the Board seek guidance regarding its use of closed sessions, as well as a number of recommendations to ensure compliance with state statutes and its own policies. In addition, we include recommendations to improve the information provided to the Board in making its governance decisions.

We appreciate the courtesy and cooperation extended to us by MATC staff and the Board of Directors. MATC's response follows Appendix 3.

Respectfully submitted,
JANICE MUELLER
State Auditor
