GOVERNOR'S VETO MESSAGE

March 17, 2003

To the Honorable members of the Assembly:

I am vetoing **Assembly Bill 144** in its entirety. This bill does the following:

- * Requires legislative approval by joint resolution of Indian gaming compacts that are for a period longer than 15 years.
- * Stipulates that if the Legislature does not approve the compact, it must be returned to the Governor for renegotiation.
- * Prohibits the Governor from authorizing a gaming establishment on lands acquired by the U.S. Secretary of the Interior in trust for the benefit of an Indian tribe after October 17, 1988, until the Legislature approves the proposed compact by joint resolution.
- * Prohibits the Governor from entering into, amending, extending or renewing any compact that includes terms that in any way condition which gaming activities may be conducted under the compact based on gaming activities that are conducted in Canada.
- * Requires that gaming compacts direct that tribes make good faith efforts to reach agreement with local governments on reimbursement of costs for services to gaming establishments.

My reasons for vetoing this bill are no different than those given in vetoing Senate Bill 41. I reiterate those reasons below.

Negotiations with the eleven Native American tribes that have gaming compacts with the state are a complex and involved process. Each of the tribes is a sovereign nation, with separate

goals and interests pertaining to gaming. Completing individual compacts with each tribe is time consuming for a Governor and his staff. Adding the entire Legislature to this process would make these negotiations impossible to complete.

The state is currently facing a significant fiscal crisis. The Native American tribes are interested in compacts that reflect the long-term commitment that each of these nations has made to gaming enterprises within their broader economic development strategy. Taken together, there are significant positive opportunities for all involved in negotiating new compacts. These opportunities will be impossible to achieve without a focused negotiation strategy.

I believe that current law authorizing the Governor, on behalf of the state, to conduct negotiations with the Native American tribes regarding gaming compacts is wise public policy. Changing that law would prevent the state and tribes from reaching mutually beneficial goals.

Respectfully submitted,
JIM DOYLE
Governor
