The Honorable, The Senate:

As you know, Wisconsin's annual grant to a nonstock, nonprofit corporation for urban land conservation (Sec. 23.0957) was awarded to Urban Open Space Foundation in 2003, and it has made an extraordinary difference in helping our Foundation accomplish its important mission.

As a grant recipient, UOSF is required each fiscal year to submit a report detailing the activities for which the grant was expended. Copies of the report are to be submitted to "the Department of Natural Resources and the appropriate standing committees of the legislature as determined by the Speaker of the Assembly or the President of the Senate." Thank you for your important role in making this grant program available. The program is critical to promoting urban land conservation in Wisconsin through urban forest protection, water resource enhancement and other open space objectives. We at the Urban Open Space Foundation work with communities to create and revitalize public places; we're committed to helping them achieve their full natural, cultural, and economic potential through quality open space.
