

WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

2003 Wisconsin Act 173 [2003 Senate Bill 284]	Grievance Procedure for Wisconsin Works
2003 Acts: www.legis.state.wi.us/2003/data/acts/	Act Memos: www.legis.state.wi.us/lc/act_memo/act_memo.htm

Under current law, as a condition of eligibility for the Wisconsin Works (W-2) program, an individual may be required to participate in a wholly or partially subsidized employment position. Current law prohibits a W-2 employer from creating a W-2 employment position by terminating employment of a regular employee or by filling a position that is vacant because a non-W-2 employee is on strike, laid off, or engaged in a labor dispute.

Under federal law, as a condition of receiving federal Temporary Assistance for Needy Families funds, the Department of Workforce Development (DWD) must implement a grievance procedure to resolve complaints of alleged violations of these requirements.

2003 Wisconsin Act 173 requires DWD to promulgate rules specifying a grievance procedure for resolving complaints of alleged violations of the requirements.

Effective Date: 2003 Wisconsin Act 173 is effective on April 20, 2004.
