1     **AN ACT** *to amend* 813.125 (3) (c) of the statutes; **relating to:** extending time  
2           limits in harassment injunction actions.

---

***Analysis by the Legislative Reference Bureau***

Current law requires an harassment injunction hearing to be held within seven days and a domestic abuse hearing to be held within 14 days after a temporary restraining order is issued. The deadline for a harassment injunction hearing may be extended by seven days and the deadline for a domestic abuse hearing may be extended by 14 days if the petitioner, despite his or her due diligence, is unable to serve the respondent.

This bill changes the deadlines for harassment injunctions to 14 days, to correspond to the deadlines for domestic abuse injunctions.
