

2003 ASSEMBLY BILL 572

October 15, 2003 - Introduced by Representatives BOYLE, CULLEN and BERCEAU.
Referred to Committee on Small Business.

1 **AN ACT to amend** 255.08 (9) (a) of the statutes; **relating to:** limiting use of
2 tanning devices to persons aged at least 18 years and requiring tanning facility
3 customers to present photographic identification that indicates age.

Analysis by the Legislative Reference Bureau

Under current law, the owner of a tanning facility (a place or business that provides customers access to a tanning device) must ensure that numerous requirements related to customers and tanning devices are fulfilled. One of these requirements limits use of a tanning facility to customers aged 16 years or older. DHFS may deny issuance of a permit to an applicant or suspend or revoke any permit issued for a violation of these requirements, and a violator may be required to forfeit not less than \$50 nor more than \$250; a court may revoke a permit for a violation by the permittee or his or her employee.

This bill limits use of tanning facilities to customers aged 18 years or older and requires owners of tanning facilities to require customers to provide photographic identification that indicates age.
