Analysis by the Legislative Reference Bureau

Under present law, a legislator may claim an allowance for expenses incurred for food and lodging for each day that he or she is in Madison on legislative business, but not including any Saturday or Sunday unless the legislator is in actual attendance on such day at a session of the legislature or a meeting of a standing committee of which the legislator is a member. This bill replaces the per diem with a provision reimbursing legislators for their actual and necessary expenses incurred on those days. A legislator may not be reimbursed for rental expenses for housing or expenses relating to housing owned by the legislator or the legislator's immediate family.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
