September 24, 2003 - Introduced by Senators REYNOLDS and LAZICH, cosponsored by Representatives GROTHMAN, LADWIG, SERATTI, NASS, ALBERS, HAHN and TOWNSEND. Referred to Committee on Health, Children, Families, Aging and Long Term Care.

- 1 **AN ACT to create** 46.495 (1) (g) and 51.423 (6m) of the statutes; **relating to:**
2 prohibiting a county from providing a grant to a nonprofit corporation from
3 community aids unless the nonprofit corporation provides matching funds.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Health and Family Services (DHFS) distributes general purpose revenues and federal revenues, as community aids, to counties to provide social, mental health, developmental disabilities, and alcohol and other drug abuse services. This bill prohibits a county from providing a grant to a nonprofit corporation, from community aids, unless the nonprofit corporation provides matching funds equal to 100% of the grant moneys awarded. The match may be in the form of money or in-kind services, or both, but may not include any moneys received from the federal, state, or county government. If in any year the amount of grants provided by a county to nonprofit corporations, from community aids, exceeds the amount of matching funds provided by those corporations for those grants in that year, DHFS must decrease the amount of community aids distributed to that county in the next year by the difference between the amount of grants provided and the amount of matching funds provided.
