RE: MATTER OF CONFIDENTIALITY

Dear Members,

Attached find a copy of the "CONFIDENTIAL" Statement of Economic Interests for Appointee Allen Sampson, a nominee for appointment to the Investment Board.

Please carefully review the attached materials related to the "CONFIDENTIAL" status of this particular statement. Please carefully review the cover memo from the State of Wisconsin "Ethics Board".

When you have completed your review of Mr. Sampson's statement and no longer need it for reference, it is suggested that you dispose of these materials in a manner that is appropriate to its status as "CONFIDENTIAL".

Please consider "shredding" these documents or if you wish you can return them to the Committee Clerk where they will be properly disposed of.

Thank you,

Senator Dale Schultz, Chair
