The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 285.60 (1) (a) 1. of the statutes is amended to read:
285.60 (1) (a) Construction permit. 1. Except as provided in sub. (2g), (3), (5m), or (6), no person may commence construction, reconstruction, replacement, or modification of a stationary source unless the person has a construction permit from the department.

In the rules, the department may exempt persons who qualify for a general permit from the requirement to obtain a construction permit.

SECTION 3. 285.66 (2) (b) (intro.) of the statutes is amended to read:
285.66 (2) (b) (intro.) Notwithstanding par. (a), the department may not specify that coverage under a registration permit under s. 285.60 (2g) or coverage under a general permit under s. 285.60 (3) expires except as follows:

285.66 (2) (b) 2. The department may specify a term of 5 years or longer for coverage under a registration permit or for coverage under a general permit if the department finds that expiring coverage would significantly improve the likelihood of continuing compliance with applicable requirements compared to coverage that does not expire.

285.66 (2) (b) 3. The department may specify a term of 5 years or less for coverage under a registration permit or for coverage under a general permit if required by the federal clean air act.

285.81 (1m) (b) An emission limitation contained in a construction permit becomes effective despite a challenge under par.
