**Subject:** Final amendment request: Assembly Bill 15

Hi Robin,

I would like to request one final amendment to Assembly Bill 15. This would be a Senate Substitute Amendment to AB 15 identical to LRB s0428/1 (Senate Sub to SB 15) that reads as follows:

**“The rule promulgated by the department under sub. (1) to set standards for automotive gasoline may not require that automotive gasoline contain ethanol.”**

I understand this amendment does raise the question of germaneness, however Senator Kedzie would like it drafted all the same. Thank you very much for all your help!
