Peter Grant,

I think we've already done this once...but when I tried to have this jacketed for the next legislative session, they told me it had to be 'redrafted.' I thought we already discussed that we would leave this bill retroactive (leaving in the same dates as last session) and that it already was redrafted.

Let me know if there's something else we need to do on our end.

Thanks,

Casey

Peter Grant,

When this is completed, may I ask that you also have an electronic copy sent to Rep./Sen. Luther Olsen's office.

He plans to introduce a Senate companion to our Assembly bill in January.

Thank you,

Casey Langan

That draft was done for the 03-04 session. We need to redraft it for the 05-06 session. I'll take care of it for you.

2005

2003 BILL

PS-PWA
Please

Regen

1 AN ACT *to repeal* 121.91 (4) (dg) and (dr); and *to amend* 121.91 (4) (d) of the
2 statutes; **relating to:** carrying forward a school district's unused revenue limit
3 authority to the succeeding school year.

Analysis by the Legislative Reference Bureau

Under current law, if a school district's revenue in any school year is less than the amount of revenue that the school district is allowed under the revenue limit formula, the school district's revenue limit in the succeeding school year is increased by 75 percent of the difference between its actual revenue and the amount of revenue allowed. This bill allows a school district to carry forward 100 percent of the difference instead of 75 percent.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 SECTION 1. 121.91 (4) (d) of the statutes is amended to read:
5 121.91 (4) (d) If a school district's revenue in the preceding school year was less
6 than the limit under sub. (2m) in the preceding school year, the limit otherwise

BILL

1 applicable to the school district's revenue in the current school year under sub. (2m)
2 is increased by an amount equal to 75%[✓] of the difference between the amount of its
3 revenue in the preceding school year and the amount of the limit in the preceding
4 school year under sub. (2m).

5 **SECTION 2.** 121.91 (4) (dg) and (dr)[✓] of the statutes are repealed.

6 **SECTION 3. Initial applicability.**

7 (1) This act first applies to the calculation of a school district's revenue limit
8 for the 2004-05 school year.[✓]
