9 certain identification in order to vote at a polling place or obtain an absentee
10 ballot, verification of the addresses of electors, and the fee for an identification
11 card issued by the Department of Transportation.

Analysis by the Legislative Reference Bureau

With certain limited exceptions, before being permitted to vote at any polling place, an elector currently must provide his or her name and address. If registration is required in order to vote and the elector is not registered, the elector must provide a specified form of proof of residence in order to register. If an elector claims to be

BILL

registered but his or her name does not appear on the appropriate registration list, the elector must complete a certification of eligibility and present acceptable proof of residence in order to vote. In addition, an elector may be required to provide acceptable proof of residence even if registration is not required. (Beginning with the 2006 spring primary election, registration will be required on a statewide basis.) If an elector is not able to present any required proof of residence, as an alternative, current law permits another qualified elector who resides in the same municipality to corroborate the elector's information. In addition, an elector other than a military elector or an overseas elector, as defined by federal law, who registers by mail and who has not voted in a federal election in the municipality where the elector is voting (beginning January 1, 2006, in this state) must provide one of the forms of identification specified by federal law, or a copy thereof if voting by absentee ballot, in order to be permitted to vote. Corroboration may not be substituted for this identification requirement, but an elector who cannot provide the required identification may cast a provisional ballot. The municipal clerk or board of election commissioners must determine whether electors casting provisional ballots are qualified to vote by 4 p.m. on the day after an election.

With certain limited exceptions, this bill requires each person attempting to register or vote at the polls on election day to present a valid Wisconsin driver's license issued by the Department of Transportation (DOT) to the person, a valid, current identification card issued to the person by a U.S. uniformed service, or a valid Wisconsin identification card issued by DOT to the person. A person whose address is confidential as a result of domestic abuse or a person who has been required by a law enforcement officer to surrender his or her license (see below) is exempted from the requirement. Under the bill, any person who applies for an absentee ballot, except a military or overseas elector, as defined by federal law, or a person whose address is confidential as a result of domestic abuse, must provide a copy of the license or identification card, unless the person has already provided a copy of his or her license or identification card in connection with an absentee ballot cast at a previous election and has not changed his or her name or address since that election, unless the person has been required by a law enforcement officer to surrender his or her license (see below) or unless the person is indefinitely confined, in which case the person may submit a statement signed by the person who witnesses his or her absentee ballot verifying his or her identity. The bill continues current requirements for certain electors to provide proof of residence in order to register or to vote, but discontinues the use of corroborating electors to verify residence. If a person who votes at a polling place fails to provide a license or identification card, the person may vote provisionally. If a person, other than a military or overseas elector, as defined by federal law, votes by absentee ballot and fails to provide a copy of the license or identification card, the ballot is treated as a provisional ballot. A provisional ballot is marked by the poll workers, who immediately contact the municipal clerk or board of election commissioners. The person may then provide the required identification either at the polling place before the closing hour or at the office of the clerk or board. If the person does not provide the required identification to the clerk or board by 4 p.m. on the day following the election, the person's vote is not counted. If a person

receives a citation from a law enforcement officer that is dated within 60 days of the date of an election and is required to surrender his or her Wisconsin operator's license ~~as security for settlement of the offense for which the citation was issued~~, the elector may present an original copy of the citation in lieu of his or her operator's license or, if the elector is voting an absentee ballot by mail, may enclose a copy of the citation in lieu of a copy of his or her operator's license. In this case, the bill provides that the elector's ballot is received and counted if otherwise valid, but the ballot is marked so it can be identified during the canvassing and recount process if the validity of the ballot is questioned.

The bill also permits an elector who is eligible to obtain a Wisconsin identification card to obtain the card from DOT free of charge, if the elector specifically requests not to be charged. The bill permits an applicant to receive a Wisconsin identification card without a photograph being taken, as currently required, if the applicant provides an affidavit stating that he or she has sincerely held religious beliefs against being photographed, that he or she is a member of a religious organization or identifies with the tenets of a religious organization and names that organization, and that the religious tenets of that organization prohibit such photographing.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

10 6.87 (4) (b) 2. Unless subd. 3. applies, if the absentee elector has applied for and

4 6.88 (3) (a) Any time between the opening and closing of the polls on election
5 day, the inspectors shall open the carrier envelope only, and announce the name of
6 the absent elector or the identification serial number of the absent elector if the
7 elector has a confidential listing under s. 6.47 (2). When the inspectors find that the

13 inspectors shall take out the ballot without unfolding it or permitting it to be

5 **SECTION 31.** 6.965 of the statutes is created to read:

6 **6.965 Voting procedure for electors presenting citation in lieu of**
7 **license.** Whenever any elector is allowed to vote at a polling place under s. 6.79 (7)

10 ballot the serial number of the elector corresponding to the number kept at the
11 election on the poll list or other list maintained under s. 6.79 and the notation "s.

13 the elector's vote may be received only upon an absentee ballot furnished by the
14 municipal clerk which shall have the notation "s. 6.965" written on the back of the
15 ballot by the inspectors before the ballot is given to the elector. If the municipal clerk
16 receives an absentee ballot from an elector who presents a citation or copy thereof
17 under s. 6.87 (4) (b) 4., the clerk shall enter a notation on the certificate envelope
18 "Ballot under s. 6.965, stats." Upon receiving the envelope, the inspectors shall open
19 and write on the back of the ballot the serial number of the elector corresponding to
20 the number kept at the election on the poll list or other list maintained under s. 6.79
21 and the notation "s. 6.965." The inspectors shall indicate on the poll list or other list
22 maintained under s. 6.79 the fact that the elector is voting by using a citation in lieu
23 of a license. The inspectors shall then deposit the ballot. The ballot shall then be
24 counted under s. 5.85 or 7.51.

BILL**SECTION 32**

1 6.97 (1) Whenever any individual who is required to provide identification in

15 write on the back of the ballot the serial number of the individual corresponding to
16 the number kept at the election on the poll list or other list maintained under s. 6.79
17 and the notation “s. 6.97”. If voting machines are used in the municipality where the
18 individual is voting, the individual’s vote may be received only upon an absentee
19 ballot furnished by the municipal clerk which shall have the corresponding number
20 from the poll list or other list maintained under s. 6.79 and the notation “s. 6.97”
21 written on the back of the ballot by the inspectors before the ballot is given to the
22 elector. When receiving the individual’s ballot, the inspectors shall provide the
23 individual with written voting information prescribed by the board under s. 7.08 (8).
24 The inspectors shall indicate on the list the fact that the individual is required to
25 provide identification or a license or identification card under s. 6.79 (2) but did not

6 envelope and place the envelope in a separate carrier envelope.

7 (2) Whenever any individual who votes by absentee ballot is required to
8 provide identification in order to be permitted to vote and does not provide the
9 required identification, the inspectors shall treat the ballot as a provisional ballot
10 under this section. Whenever any individual, other than a military elector or an
11 overseas elector, as defined in s. 6.36 (2) (c), an individual who has a confidential
12 listing under s. 6.47 (2), or an individual who is exempted under s. 6.87 (4), votes by
13 absentee ballot and does not enclose a copy of the license or identification card
14 required under s. 6.86 (1) (ar), the inspectors shall similarly treat the ballot as a
15 provisional ballot under this section. Upon removing the ballot from the envelope,
16 the inspectors shall write on the back of the absentee ballot the serial number of the
17 individual corresponding to the number kept at the election on the poll list or other
18 list maintained under s. 6.79 and the notation "s. 6.97". The inspectors shall indicate
19 on the list the fact that the individual is required to provide identification ^{copy of a} or a license

21 promptly notify the municipal clerk or executive director of the municipal board of
22 election commissioners of the name, address, and serial number of the individual.
23 The inspectors shall then place the ballot inside an envelope on which the name and
24 serial number of the elector is entered and shall place the envelope in a separate
25 carrier envelope.

As discussed in the first drafter's note and at our meeting, current law requires Wisconsin law enforcement officers and courts to seize an operator's license under certain circumstances. Also, law enforcement officers in other states may seize a Wisconsin operator's license for traffic violations. I have attempted to ascertain if or when, under such circumstances, the licensee may obtain either a DOT identification card or a duplicate license. I have been unable to secure adequate information in this regard. It is my understanding that if a person's license is seized by an out-of-state officer for a minor offense, the person may quickly obtain a duplicate Wisconsin operator's license, but cannot do so if the out-of-state offense was not minor. I would also anticipate that, if a court seizes an operator's license based upon suspension or revocation of the license, or if a Wisconsin arresting officer seizes a license under s. 343.305 (7)(a) or (9)(a), an identification card could be issued by DOT as soon as this information could be processed. I have no information at this time as to how quickly the processing would occur, or whether a person would always receive a uniform traffic citation at the time that a license is seized under s. 343.305 (7)(a) or (9)(a). Nonetheless, the provisions in s. 6.79 (7), 6.87 (4)(b) 4., and 6.965 reflect our best efforts to craft a provision to avoid a person's denial of voting privileges because the person was forced to surrender his or her license to a law enforcement officer or court shortly before an election. The attached draft does not address potential situations where a person's operator's license or identification card is retained in circumstances recognized under s. 125.039. You may also wish to examine the provisions of 2005 Assembly Bill 51 with respect to these issues.
