Kuesel, Jeffery

Subject: Drafting request for amendments to Voter ID bill (AB 63/SB42)

Jeff, both of these bills will be voted on by the Senate Elections Committee on April 5th, but only AB 63 has passed the Assembly, so that is most likely the one coming to the Senate floor. I would like the following amendments drafted:

1) Add to the list of acceptable forms of identification, an ID card issued by a tribal governing body. Rep. Pope-Roberts drafted the amendment for the Assembly but did not introduce it. In this new day of improved state-tribal relations, we should recognize tribally-issued IDs. Rep. Pope-Roberts drafted this at the request of a Native American constituent of hers.

2) Create a provision that requires written notification to voters when they vote and when they register to vote that they can be placed on a list to automatically receive absentee ballots at home. Allow anyone to be put on the list to receive ballots at home for every election, not just those persons indefinitely confined.

This will increase at-home voting, reducing long lines at the polls. It will ensure the voter lives where they say they live because the ballot will come in the mail. The notice given by clerks can be as simple as a slip of paper handed to the voter along with the ballot or registration form.

Thank you.
