Fiscal Estimate Narratives PSC 3/24/2005

LRB Number 05-2034/1	Introduction Number	AB-245	Estimate Type	Original					
Subject									
Utility aid payments based on the megawatt capacity of a wind farm									

Assumptions Used in Arriving at Fiscal Estimate

This bill proposes an amendment to s. 76.28 (1)(gm)2 relating to aid payments from certain size wind farms. The Public Service Commission does not administer utility aid payment programs and therefore, would defer to the fiscal estimates prepared by the Departments of Revenue and Administration.

Long-Range Fiscal Implications

None for PSC.
