

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-1447/P1dn

January 19, 2005

Rep. Kessler:

A person who files a false affidavit would be subject to prosecution under s. 946.32, but should the bill specify that the expungement is void in such a case as well? Does the state have to wait until the person is convicted (by the beyond-a-reasonable-doubt standard) before voiding the expungement?
