Subject: amendment to AB-292

Scott,

I left a phone message but thought this e-mail might be quicker. I received your voice mail and have prepared the amendment. You said the exec will be next week. By what date do you need this amendment? Also, the effective date of AB-292 could be problematic if the bill passes after 1/1/06. Do you want this amendment (or another, separate amendment) to treat the effective date so that it is the later of 1/1/06 or the day after publication? Thanks. Aaron
