Fiscal Estimate Narratives

DOA 5/9/2005

LRB Number 05-2071/1	Introduction Number AB-324	Estimate Type Original
Subject Requiring subdividers to comply with municipal extraterritorial public improvement requirements		

Assumptions Used in Arriving at Fiscal Estimate

The bill may reduce local governmental costs for public improvements if local governments adopt subdivision ordinances for extra territorial areas that require a subdivider to make or provide a bond or other security for public improvements that otherwise would fall to the municipality. It is unknown how many municipalities may undertake such ordinances or the value of the public improvements such ordinances may require.

Long-Range Fiscal Implications

Unknown.
