Subject Possession of Asian Carp		

Assumptions Used in Arriving at Fiscal Estimate

Bill Summary

This bill prohibits possession, control, storing or transport of live Asian carp or their eggs.

Fiscal Impact:

There will be no significant impact on state or local governments.

Asian carp have thus far been incidental invaders in Wisconsin waters, and it is not possible to predict the timing of their likely arrival nor the magnitude of their invasion or establishment in waters of the State. Enforcement of a ban on possession of live Asian carp would be incorporated into existing law enforcement monitoring activities.
