

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-1091/P1dn
CTS:wlj:rs

January 19, 2005

Representative Schneider:

I have assumed that the 12-month "rollover" requirement should not apply once the customer's service contract expires. The bill therefore requires that a customer be permitted to use accrued access time for 12 months after the month in which the customer accrued the access time, or until the customer's contract expires, whichever comes first. Is this okay? Also, I have included a delayed effective date to provide adequate notice to those who would be affected by these provisions. Please let me know if you have any questions or if you would like to make changes to the draft.
