Richard:

Robert and I just discussed this and we concluded that, assuming the governor signs AB-210 before AB-100, the way to do it will be to:

1. Yank the renumbering of s. 45.54 to 38.50 since 45.54 no longer exists after the enactment of AB-210.
2. Renumber the pertinent provisions of ch. 39, as created by AB-210, to s. 38.50.
3. Conform all cross references.

Darin called and said LFB's preference would be to leave it where the Governor put it, which has been approved by Joint Finance (i.e. ch. 38). So we would have to amend AB 100 to repeal the new 39.90 created by AB 210; and make sure that the cross-references in AB 100 to s. 38.50 also show striking of references to s. 39.90 and the treatment clauses of those SECTIONS say "as affected by Act . . ."

Subject: EAB question

Darin,

I don't know if you're the person who does EAB issues in the Bureau, but I started with you since it's attached to DVA. If it's not you, can you forward this on?

Assembly Bill 210 (the ch. 45 recodification bill) was concurred in by the Senate yesterday. That bill moves the EAB statutes out of ch. 45 and into ch. 39 (Ed. Agencies). However, AB 100 changes the EAB's attachment from DVA to the Tech. College System, and moves the EAB statutes into ch. 38 (Tech. Colleges). Pam Shannon, Bob Nelson and I will probably be working

on an amendment that reconciles the Budget with AB 210, assuming AB 210 is signed first. Our question is whether there were any feelings expressed by Joint Finance or by DOA about whether ch. 38 or 39 is the logical place for the EAB statutes. It's hard to imagine that they got to that level of detail, but we wanted to check. (Dave Dies from EAB called me a couple of weeks ago and he prefers ch. 39, but the Gov.'s budget bill put them in ch. 38.)

Thanks for your help.

I recommend deleting the 1976 reference (it's obsolete), and then authorizing the admission of spouses and parents to any facility at Union Grove (essentially, the AB 100 language for Union Grove). JR

Anthony/Darin/John,

As you know, Pam, Bob, and I are drafting a separate bill to reconcile the ch. 45 budget provisions with AB 210. We're trying to take what Finance did and stick it into the AB 210 structure for ch. 45.

I came across an issue that I think I need your advice on. The issue relates to eligibility for admission to the Vets Homes by surviving spouses and parents--current s. 45.37(4)(b), proposed s. 45.51(3)(b) in AB 210. Under current law, surviving spouses and parents aren't eligible for admission to Union Grove, and aren't eligible for admission to King unless they were admitted before 5/5/76 or occupancy is below an optimal level. AB 210 modified this to say surviving spouses and parents are eligible for admission only to an SNF at a Vets Home (and deleted the 1976 date and the specific reference to Union Grove). AB 100 keeps the reference to 1976 for King, and modifies the Union Grove prohibition to allow surviving spouses and parents to be admitted there if the occupancy level is below an optimal level.

Do we reconcile these by restoring the 1976 language for King and making the AB 100 change for Union Grove, and eliminate the AB 210 reference to SNFs? We don't want to undo anything Finance did, so this seems like the way to go, but I wanted to check with all of you.

Thanks for looking at this.

Subject: Budget amendment

Pam/Bob (and I cc'ed Darin to keep him in the loop),

Anthony just called. He spoke with Ellen Nowak, who could only speak briefly since they were on the floor today. Ellen has been apprised of the dilemma, although not all of the details. She asked that the 3 attorneys prepare an amendment to the Budget and have it ready by Monday afternoon. It would be presented as a technical amendment. She has to talk with the Speaker to see how he wants to proceed.

Anthony also spoke with John Murphy in Sen. Schultz's office. John would prefer that the amendment be added in the Assembly.

We should get together soon and divvy this up. As I see it, we have to do the following:

- X 1. Fix any cross-references in ch. 20 to conform with AB 210.
- X 2. Fix any cross-references in other provisions outside of ch. 45 that are affected by the Budget to conform with AB 210.
- RN 3. Do the EAB changes recommended by Gordon.
4. Fix the Budget provisions that affect ss. 45.25 and 45.396 (education) so that they fit into the AB 210 structure.
5. Fix the Budget provisions that affect ss. 45.351 (assistance) so that they fit into the AB 210 structure.
6. Fix the Budget provisions that relate to veterans housing (p. 449) so that they fit into the AB 210 structure.
7. Fix the remaining Budget provisions that relate to ch. 45 so that they fit into the AB 210 structure.

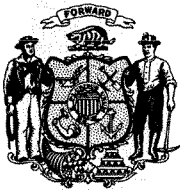

If Gordon is able to do number 3, maybe the rest of us can each take 2 items (one relatively hard and one relatively easy) and then get together tomorrow and compare notes.

Anthony says that if any policy questions come up, we can reach him by cell phone (576-8508). He's also going to let John Rosinski know that we may have questions.
