Demonstration Program for Homeless Veterans

Move to provide one-time funding of \$117,300 GPR in 2005-06 and in 2006-07 for a demonstration project to provide housing vouchers to chronically homeless veterans in a first class city in a county with a population of at least 500,000. Create an annual appropriation under the Department of Veterans Affairs for this purpose. Provide that the appropriation would sunset on July 1, 2007.

Funding for "Mission Welcome Home"

Move to provide \$25,000 GPR annually under a new appropriation for a "Mission Welcome Home" campaign for the purpose of offsetting costs associated with outreach and services to Wisconsin military service members returning from active duty. Repeal the appropriation effective July 1, 2007.

Note:

The "Mission Welcome Home" campaign seeks to identify, train, and place volunteer ambassadors at a community level to assist returning veterans, their families, and their survivors. The Department also provides veterans with a packet of information on federal and state veterans benefits that the returnees are eligible to receive.

3. Page 3, Lines 24-25. This section appears to repeal the funeral honors stipend appropriation and program. While the Military Funeral Honors Program stipends were proposed to be repealed by the Department and the Governor, the Joint Finance budget bill did not include the repeal of those stipends (LFB WDVA – Veterans Trust Fund Summary Item #7) by a unanimous motion by Sen. Fitzgerald. Thus, the stipends should not be repealed here.

4. Page 12, section 46: This section creates a grant program for mission welcome home. However, it was WDVA's understanding that the motion provided operating funds for the program, not a new grant program to be administered by the volunteer-based program. There is no mention in the motion of a grant program. ?

Veterans Affairs – General Agency Provisions
Demonstration Program for Homeless Veterans

Move to provide one-time funding of \$117,300 GPR in 2005-06 and in 2006-07 for a demonstration project to provide housing vouchers to chronically homeless veterans in a first class city in a county with a population of at least 500,000. Create an annual appropriation under the Department of Veterans Affairs for this purpose. Provide that the appropriation would sunset on July 1, 2007.

Specify that a housing authority in the city would be required to provide evidence to the Department of the use of multi-family housing by individuals and families that contain at least one veteran in order to receive grant funding. Specify that up to 50% of the grants may be used for subsidizing public housing costs and that at least 50% of the grants must be used for supplementing temporary privately-owned rental housing costs.

Require the grant recipient, in coordination with the Department, to submit a report to the Governor and the Legislature by August 15 in 2006 and in 2007, with the following information relating to the use of grant funding in the previous fiscal year: (1) the number of veterans that participated in the program; (2) the size of the households; (3) the amount of funding and the length of time aid was provided; (4) the housing status of aided individuals and families upon termination of the supplemental funding; and (5) any other information the Department deems necessary in determining the success of this program.

Note:

This motion would provide one-time funding during the 2005-07 biennium to the City of Milwaukee Housing Authority to fund a two-year demonstration program for chronically homeless veterans. The Department of Veterans Affairs would determine whether to release funding based upon proof that funding would be provided to aid veterans and their families in obtaining long-term housing. No more than 50% of the funding could be used to supplement the costs for public housing. The remaining funds could be used to supplement privately owned rental housing used by the veteran. At the end of each fiscal year the housing authority would be required to provide information concerning the operation of the program.

(Change to Bill: \$234,600 GPR)

6. Page 23, lines 11 through 20: Defines eligible dependents for the emergency grant program incorrectly as only those where the service member died on "active duty". The language from the motion was those who died "in the line of duty", whether on active, reserve, or national guard duty.

Move to approve alternatives A2, A3, A4, and B2, and adopt the following: Economic Assistance Grants. Modify Alternative A1 by specifying that the dependent children and unremarried spouses of individuals who died while in active service or in service training as part of the U.S. armed forces or in forces incorporated as part of the U.S. armed forces, would be eligible for Economic Assistance Grants if those individuals meet income qualifications established by the Department by rule.
