LEGISLATIVE REFERENCE BUREAU**

LRBa0848/2dn
GMM:kjf:jf

July 28, 2005

Representative Underheim:

On the further advice of LRB Managing Attorney Peter Grant, this amendment clarifies that the amount to be paid for educational services is an amount equal to the average per pupil cost of the school district providing the services and not of the school board making the payment. By keying the amount to the cost of the school district providing the services, the amendment better captures the actual cost of providing the services.
