

**DRAFTER'S NOTE**  
**FROM THE**  
**LEGISLATIVE REFERENCE BUREAU**

LRB-2999/1dn  
MJL:kjf:jf

May 19, 2005

Cindy:

This draft departs stylistically and technically but not substantively from the draft language we received. Note that Chris Taylor told me not to include the DPI study originally proposed.

Given that the bill changes the curriculum for those school districts that elect to offer human growth and development, you may wish to delay the bill's effective date.
