Subject										
School board approval of subdivision plats										

## **Assumptions Used in Arriving at Fiscal Estimate**

The proposed legislation would require the school board of the school district in which the subdivision lies to approve the subdivision plot.

State:

The proposal will have no fiscal impact to the department.

Local:

The proposed legislation will have a fiscal impact to local government and school districts. The additional layer of review would require the clerk of the primary approving authority to transmit the subdivision plat and supporting information to the school districts as per 236.12 Wis. Stats. The school district(s) would incur costs related to reviewing the subdivision plats. Cost will very depending on the complexity of the subdivision plat and the effort made by the school district(s) to review the plat. Consequently no local fiscal impact can be estimated.
