ATTN: Emily Holtz

Please review the attached draft carefully to ensure that it is consistent with your intent. On its face, the attached draft only affects Class "B" licenses (authorizing the retail sale of beer). However, because a Class "B" license is a prerequisite to obtaining a "Class B" license (authorizing the retail sale of wine and other intoxicating liquor), see s. 125.51 (3) (f), the draft will have an effect on issuance of "Class B" licenses as well.
