**Subject:** Allowing Art Galleries Class B liquor licenses

Aaron,

Rep. Jason Fields is interested in drafting legislation that would include the many art galleries in the state as businesses eligible for Class B liquor licenses.

The change can be made by:

Add (h) An art gallery, to the list of exceptions under s. 125.32 (3m).

We appreciate your help in drafting this legislation.

# 2005 BILL

8-Note ✓

Gen

1 AN ACT ...; **relating to:** the issuance of a retail alcohol beverage license for a  
2 premises on which another business is conducted.

### *Analysis by the Legislative Reference Bureau*

Current law prohibits, with certain exceptions including hotels, restaurants, and bowling centers, the issuance of a Class "B" license or permit for any premises where another business is conducted. A Class "B" license authorizes the retail sale of beer for consumption on or off the premises.

This bill creates an exception to this prohibition for an art gallery.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

3 SECTION 1. 125.32 (3m) (h) of the statutes is created to read:

4 125.32 (3m) (h) An art gallery.

Please review the attached draft carefully to ensure that it is consistent with your intent. On its face, the attached draft only affects Class "B" licenses (authorizing the retail sale of beer). However, because a Class "B" license is a prerequisite to obtaining a "Class B" license (authorizing the retail sale of wine and other intoxicating liquor), see s. 125.51 (3) (f), the draft will have an effect on issuance of "Class B" licenses as well.
