After reviewing the Commerce rules on the main street program, I was still unable to determine if the selection is made before the end of the fiscal ^{or} calendar year, so I took an educated guess (based on the October application deadline) and required Commerce to select Clark County by the end of December 2005 (I had forgotten when we spoke that municipalities participate in the program for five years; thus, it did not make sense to allow Clark County to participate in ~~the~~ ^{the} program for only for a fiscal year, as we had discussed.) Under the bill, Clark County would be selected by December 30, 2005, for five years of participation.
