2005 ASSEMBLY BILL

6/16

REG

1 **AN ACT to amend** 341.35 (1), 341.35 (3m), 341.35 (5), 341.35 (6r) and 341.35 (7)
 2 of the statutes; **relating to:** allowing a municipality or a county to charge a
 3 registration fee for animal-drawn vehicles.

Analysis by the Legislative Reference Bureau

Current law allows a county, town, village, or city to enact an ordinance to collect an annual registration fee for motor vehicles that weigh less than 8,000 pounds and are customarily kept in the county, town, village, or city. The Department of Transportation collects the fees at the time a vehicle is registered and forwards the money, minus actual administrative costs associated with the collection of the fees, to the county, town, village, or city for use by the county, town, village, or city for transportation purposes.

This bill allows a county, town, village, or city to pass an ordinance to collect a \$50 biennial registration fee for animal-drawn vehicles. This fee is paid directly to the county, town, village, or city, to be used for transportation purposes.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.
