Subject: Rep. Lehman drafting request

November 14, 2005

Hi Robert,

Would you please draft a bill for John that would:

- 1) Provide veterans with year-round, lifetime free state park access if they have greater than a 70% disability.
- 2) Offer this same benefit to former POWs who are Wisconsin residents.
- 3) Require proof of their disability using the same language the DNR uses for fishing license fees for disabled veterans.

Thanks much. Give me a call if you have any questions.

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

2005 Bill

Gen

- 1 AN ACT ...; relating to: free access to state parks and state trails by certain
- 2 disabled veterans and former prisoners of war.

one-
Analysis by the Legislative Reference Bureau

Currently, most vehicles entering state parks must have a vehicle admission receipt (sticker), either for annual use or for a day use. Some vehicles are exempt from having a sticker, including vehicles operated by a unit of government, vehicles occupied by an adult holding a conservation patron license, vehicles occupied by a person who holds a senior citizen recreation card, and vehicles operated for transporting pupils of a public or private school. This bill adds to those exemptions vehicles occupied by a resident who is a veteran with a 70 percent or greater military-related disability and vehicles occupied by a resident who was a prisoner of war.

Currently, a fee is charged for admission to Heritage Hill State Park and to state trails. There are exemptions from the admission fee, including persons who hold a senior citizen recreation card and adults holding a conservation patron license. This bill adds to those exemptions residents who are veterans with a 70 percent or greater military-related disability and residents who were prisoners of war.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
