## State of Misconsin 2005 - 2006 LEGISLATURE

LRB-4392/1

JK:¥:...

### 2005 BILL

AN ACT ...; relating to: an individual income tax credit for the sales and use taxes

Under current law, laundry services performed by the consumer of the laundry services are subject to the sales tax and the use tax, unless the services are performed through the use of coin-operated self-service machines. Under this bill, an individual may claim an income tax credit in an amount equal to the amount of the sales and use taxes that the individual paid in the taxable year on laundry services performed by the individual through the use of self-service machines.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

#### Mike.

Vicky says I should contact you. I would like to get fiscal estimates for two LRB drafts that will soon be given bill numbers and referred to the Committee on Small Business. We would like to have a public hearing and executive session on the two LRBs attached below on February 7. They are tax credit versions of two bills that were originally drafted as tax exemptions and had fiscal estimates prepared on those.

Please let me know if you have any questions. Thanks.

Tanya, you should work with the Legislative Reference Bureau and the LRB drafter to set these bills up in the Fiscal Estimate System. I have copied Mike Barman of the LRB, so he is aware this will be coming. If you need to contact him, please call him at 266-3561. Neither I, nor the Department of Revenue, can do anything until this has occurred. Vicky LaBelle

FW: Small Business Committee PDF bill drafts for public hearing

Vicki and Paul,

On February 7, the Assembly Small Business Committee will be holding a public hearing on LRB 4392 and LRB 4382. These LRBs are currently in the Speaker's office and should be referred with an actual bill number to our committee in time for the public hearing. These LRBs are basically a re-drafted tax credit version of tax exemption bills AB 413 and AB 339. The original bills passed unanimously. Since the re-drafted versions of the bill have the same intent, we are planning on execing these bills immediately following the public hearing. Therefore, we need fiscal estimates on the attached LRBs which will be changed to AB form in time for the public hearing. Please let me know if you have any questions.
