Hi Chris,

I received the attached draft, LRB 1272/P1, from Katie Plona of the Gov.'s office. (Please see the attached email.) We would like to have it re-drafted for Rep. Fields. This is a priority as this is part of Governor Doyle's Grow Wisconsin plan. Could we please get a draft back ASAP? If you have any questions, please call me.

Neci,

Here is the information on SEEDZ, including a draft from before the budget. I will be in touch next week to see what the best way is to do this between your and Sen. Jauch's office.

If we can get a Republican to agree to work on it, that will obviously be helpful to get it going through the process, so I'm going to work on that a little too.

Thanks, Katie

grants to businesses that locate in extremely depressed areas, granting rate-making authority, and making an appropriation

Analysis by the Legislative Reference Bureau

COMMERCE AND ECONOMIC DEVELOPMENT

ECONOMIC DEVELOPMENT

This bill requires the Department of Commerce (department) to designate certain areas of the state as extremely depressed areas and authorizes the department to award a grant to a business that locates in an area designated as an extremely depressed area, if the business will create at least 100 qualifying jobs in the area. A business may use grant proceeds to pay eligible costs. Under the bill, the department may award a grant only if the business agrees to pay at least 90 percent of the new employees a family-supporting wage and to make every reasonable effort to fill at least 75 percent of the new jobs with individuals who reside in the extremely depressed area. The department may make grant payments to an eligible business for up to five years.

The bill requires the department to promulgate rules defining "extremely depressed area," which must be an area with an unemployment rate equal to or exceeding 150 percent of the statewide average unemployment rate. The bill requires the department also to define by rule "eligible costs," "family-supporting wage," and "qualifying jobs."

Yes, the draft should require the department to promulgate emergency rules by July 1, 2006. I got the instructions from the department (DOA in conjunction with Commerce), so they are aware of the timing issue.

Also, if I could get a draft back by the end of the week (before my boss drives me crazy), that would be great.

Thanks,
