<b>Description</b> Creating a window replacement loan program and fund, granting rule-making authority, and making an appropriation									

## **Assumptions Used in Arriving at Fiscal Estimate**

This bill establishes a loan fund for the replacement of windows in pre-1950 dwellings by lead-free, energy efficient windows. The loan program is to be administered by the Department of Administration (DOA). The bill requires DOA to consult with the Department before promulgating the rules for this program so that the rules of the new program are consistent with the Department's requirements for reducing lead hazards under current law.

This bill will have no fiscal effect on the Department.

**Long-Range Fiscal Implications**
