2005 ASSEMBLY RESOLUTION

1 **To amend** assembly rule 32 (1) (a) and assembly rule 39 (1); **relating to:** the
2 prohibition against memorializing the federal government.

Analysis by the Legislative Reference Bureau

Currently, in the assembly rules, there exists a prohibition against the offering of any assembly joint resolution or resolution memorializing Congress or any branch or officer of the federal government, a prohibition against the assembly receiving a senate joint resolution memorializing Congress or any branch or officer of the federal government, and a requirement that each such senate joint resolution must be transmitted back to the senate immediately after the message referring to the senate joint resolution is read. This resolution exempts from these rules any joint resolution or resolution that memorializes Congress or any branch or officer of the federal government to permit the importation of prescription drugs from Canada.

3 **Resolved by the assembly, That:**

4 **SECTION** SM Assembly rule 32 (1) (a) is amended to read:

5 ASSEMBLY RULE 32 (1) (a) Except as otherwise provided in this paragraph,
6 messages from the senate or from the governor may be received and read, and any
7 proposal referenced in the messages that is a senate proposal initially received for
8 consideration of the assembly shall be referred and any other proposals referenced

8 Any senate joint resolution that does not memorialize Congress or any branch or
9 officer of the federal government to permit the importation of prescription drugs from
10 Canada shall be transmitted to the senate immediately after the message is read; ✓

11 ✓ SECTION 7M Assembly rule 39 (1) is amended to read:

12 ASSEMBLY RULE 39 (1) Except as otherwise provided in joint rule 83 (2) and this
13 subsection, any member or standing committee may introduce or offer proposals in
14 the assembly on any day of the biennial legislative session. No member or standing
15 committee may offer any assembly joint resolution or resolution memorializing
