2005 ASSEMBLY RESOLUTION

1 **To amend** assembly rule 32 (1) (a) and assembly rule 39 (1); **relating to:** the
2 prohibition against memorializing the federal government.

Analysis by the Legislative Reference Bureau

Currently, in the assembly rules, there exists a prohibition against the offering of any assembly joint resolution or resolution memorializing Congress or any branch or officer of the federal government, a prohibition against the assembly receiving a senate joint resolution memorializing Congress or any branch or officer of the federal government, and a requirement that each such senate joint resolution must be transmitted back to the senate immediately after the message referring to the senate joint resolution is read. This resolution exempts from these rules any joint resolution or resolution that memorializes Congress or any branch or officer of the federal government to not close a military base that is located in this state.

3 **Resolved by the assembly, That:**

4 SM SECTION 4. Assembly rule 32 (1) (a) is amended to read:

6 messages from the senate or from the governor may be received and read, and any
7 proposal referenced in the messages that is a senate proposal initially received for
8 consideration of the assembly shall be referred and any other proposals referenced

 2 officer to a standing committee or to the calendar. Any messages from the senate
 3 referring to a senate joint resolution memorializing Congress or any branch or officer

 7 the federal government to not close a military base that is located in this state. Any
 8 senate joint resolution that does not memorialize Congress or any branch or officer
 9 of the federal government to not close a military base that is located in this state shall
 10 be transmitted to the senate immediately after the message is read; ^{2/1}Ⓞ
