2005 ASSEMBLY RESOLUTION

1 To ^{GEN}amend assembly rule 32 (1) (a) and assembly rule 39 (1); relating to: the
2 prohibition against memorializing the federal government.

Analysis by the Legislative Reference Bureau

Currently, in the assembly rules, there exists a prohibition against the offering of any assembly joint resolution or resolution memorializing Congress or any branch or officer of the federal government, a prohibition against the assembly receiving a senate joint resolution memorializing Congress or any branch or officer of the federal government, and a requirement that each such senate joint resolution ~~must~~ be transmitted back to the senate immediately after the message referring to the senate joint resolution is read. This resolution exempts from these rules any joint resolution or resolution that memorializes Congress or any branch or officer of the federal government opposing the treatment of American soldiers in Iraq who have been charged with theft for using metal from broken equipment to reinforce their vehicles. *

Resolved by the assembly, That:

4 SECTION 1. Assembly rule 32 (1) (a) is amended to read:

5 ASSEMBLY RULE 32 (1) (a) Except as otherwise provided in this paragraph,
6 messages from the senate or from the governor may be received and read, and any
7 proposal referenced in the messages that is a senate proposal initially received for

1 consideration of the assembly shall be referred and any other proposals referenced
 2 in the messages shall be taken up immediately unless referred by the presiding
 3 officer to a standing committee or to the calendar. Any messages from the senate
 4 referring to a senate joint resolution memorializing Congress or any branch or officer
 5 of the federal government that is received for consideration of the assembly may be
 6 read but the senate joint resolution may not be received for consideration ^{strike} unless the ~~the~~
 7 senate joint resolution memorializes Congress or any branch or officer of the federal
 8 government opposing the treatment of American soldiers in Iraq who have been
 9 charged with theft for using metal from broken equipment to reinforce their vehicles
 10 The Any senate joint resolution that does not memorialize Congress or any branch
 11 or officer of the federal government opposing the treatment of American soldiers in
 12 Iraq who have been charged with theft for using metal from broken equipment to
 13 reinforce their vehicles shall be transmitted to the senate immediately after the
 14 message is read;

15 SECTION 2. Assembly rule 39 (1) is amended to read:

16 ASSEMBLY RULE 39 (1) Except as otherwise provided in joint rule 83 (2) and this
 17 subsection, any member or standing committee may introduce or offer proposals in
 18 the assembly on any day of the biennial legislative session. No member or standing
 19 committee may offer any assembly joint resolution or resolution memorializing
 20 Congress or any branch or officer of the federal government, unless the assembly
 21 joint resolution or resolution memorializes Congress or any branch or officer of the
 22 federal government opposing the treatment of American soldiers in Iraq who have
 23 been charged with theft for using metal from broken equipment to reinforce their
 24 vehicles.
