

2005 ASSEMBLY RESOLUTION 35

June 28, 2005 – Introduced by Representative SCHNEIDER. Referred to Committee on Rules.

1 **To amend** assembly rule 32 (1) (a) and assembly rule 39 (1); **relating to:** the
2 prohibition against memorializing the federal government.

Analysis by the Legislative Reference Bureau

Currently, in the assembly rules, there exists a prohibition against the offering of any assembly joint resolution or resolution memorializing Congress or any branch or officer of the federal government, a prohibition against the assembly receiving a senate joint resolution memorializing Congress or any branch or officer of the federal government, and a requirement that each such senate joint resolution be transmitted back to the senate immediately after the message referring to the senate joint resolution is read. This resolution exempts from these rules any joint resolution or resolution that memorializes Congress or any branch or officer of the federal government relating to the outsourcing of the Sikorsky v. Lockheed–Martin Marine One helicopter construction contract.
