2005 ASSEMBLY RESOLUTION

1   **Relating to:** the prohibition against memorializing the federal government.

Analysis by the Legislative Reference Bureau

Current assembly rules prohibit the offering of any assembly joint resolution or resolution memorializing Congress or any branch or officer of the federal government, prohibit the assembly from receiving a senate joint resolution memorializing Congress or any branch or officer of the federal government, and require that each such senate joint resolution must be transmitted back to the senate immediately after the message referring to the senate joint resolution is read.

This resolution permits any such resolution to be offered or considered in the assembly if the resolution memorializes Congress or any branch or officer of the federal government to prohibit the contracting of any port security function to a person who is a citizen of a county that the Congress or any other branch or officer of the federal government determines is a security or military threat to the United States.

2   *Resolved by the assembly, That:*

3   SECTION 1. Assembly rule 32 (1) (a) is amended to read:

4   ASSEMBLY RULE 32 (1) (a) Except as otherwise provided in this paragraph,

5   messages from the senate or from the governor may be received and read, and any

6   proposal referenced in the messages that is a senate proposal initially received for
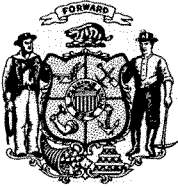

1 consideration of the assembly shall be referred and any other proposals referenced

2 in the messages shall be taken up immediately unless referred by the presiding

3 officer to a standing committee or to the calendar. Any messages from the senate

4 referring to a senate joint resolution memorializing Congress or any branch or officer

5 of the federal government that is received for consideration of the assembly may be

8 the federal government to prohibit the contracting of any port security function to

9 a person who is a citizen of a county that the Congress or any other branch or officer

10 of the federal government determines is a security or military threat to the United

11 States. Any senate joint resolution that does not memorialize Congress or any

12 branch or officer of the federal government to prohibit the contracting of any port

13 security function to a person who is a citizen of a county that the Congress or any

14 other branch or officer of the federal government determines is a security or military

15 threat to the United States shall be transmitted to the senate immediately after the

16 message is read; _for any other purpose_

17 **SECTION 2.** Assembly rule 39 (1) is amended to read:
