1 **Relating to:** Taiwan’s participation in the World Health Organization.

2 Whereas, Taiwan is America’s 10th largest export market and Wisconsin’s 16th
3 largest foreign market; and

4 Whereas, Taiwan has established a sister–state relationship with Wisconsin
5 and endeavors to continue the exchange of ideas and programs and to enhance
6 cooperation in all fields; and

7 Whereas, Taiwan values the principles of democracy, religious freedom,
8 humanitarianism, and market economics, which are hallmarks of the state of
9 Wisconsin and of the United States of America; and

10 Whereas, through persistence and pragmatism, Taiwan has become one of the
11 most prosperous democratic countries in the world; and

12 Whereas, the principle of “universal participation” is the core of the World
13 Health Organization’s constitutional mandate to advance the health of all people,
14 including the 23 million people and more than 400,000 foreign nationals in Taiwan;
15 and
