*Analysis by the Legislative Reference Bureau*

**Identification required for voting**

With certain limited exceptions, before being permitted to vote at any polling place, an elector currently must provide his or her name and address. If registration is required in order to vote and the elector is not registered, the elector must provide a specified form of proof of residence in order to register. If an elector claims to be registered but his or her name does not appear on the appropriate registration list, the elector must complete a certification of eligibility and present acceptable proof of residence in order to vote. In addition, an elector may be required to provide acceptable proof of residence even if registration is not required. (Beginning with the 2006 spring primary election, registration will be required on a statewide basis.) If an elector is not able to present any required proof of residence, as an alternative, current law permits another qualified elector who resides in the same municipality to corroborate the elector's information. In addition, an elector other than a military elector or an overseas elector, as defined by federal law, who registers by mail and who has not voted in a federal election in the municipality where the elector is voting (beginning January 1, 2006, in this state) must provide one of the forms of identification specified by federal law, or a copy thereof if voting by absentee ballot, in order to be permitted to vote. Corroboration may not be substituted for this identification requirement, but an elector who cannot provide the required identification may cast a provisional ballot. The municipal clerk or board of election commissioners must determine whether electors casting provisional ballots are qualified to vote by 4 p.m. on the day after an election.

With certain limited exceptions, this bill requires each person attempting to register or vote at the polls on election day to present an identifying document specified by law. An identifying document may take the form of a valid Wisconsin driver's license, a current, valid identification card issued by a tribal governing body or a U.S. uniformed service, or a Wisconsin identification card issued by the Department of Transportation (DOT) (with or without proof of residence); one of several types of documents containing a person's name and current voting address (proof of residence); or the last four digits of a person's social security number, together with an affidavit signed by the person containing the person's current voting residence and swearing that the name and residence are correct. A person whose address is confidential as a result of domestic abuse is exempted from the requirement. Under the bill, any person who applies for an absentee ballot, except a military or overseas elector, as defined by federal law, or a person whose address is confidential as a result of domestic abuse, must provide a copy of an identifying document, unless: 1) the person has already provided a copy of his or her identifying

*identification*

*The bill directs each municipal clerk and each executive director of a board of election commissioners to designate one inspector (poll worker) at each polling place who shall be authorized to administer the oaths required for these activities.*

**BILL**

document in connection with an absentee ballot cast at a previous election and has not changed his or her name or address since that election; 2) the person is indefinitely confined, in which case the person may submit a statement signed by the person who witnesses his or her absentee ballot verifying his or her identity; or 3) the person is an occupant of any nursing home, or of a community-based residential facility, adult family home, or residential care apartment complex where a municipality sends special voting deputies, in which case the person may submit a statement signed by the deputies verifying his or her identity. The bill continues current requirements for certain electors to provide proof of residence in order to register or to vote, but discontinues the use of corroborating electors to verify residence. If a person who votes at a polling place fails to provide an identifying document or if a person who votes by absentee ballot and fails to provide a copy of an identifying document, unless exempted from the requirement, the person's ballot is challenged by the election officials and marked for later examination, and it may be reviewed and discounted during a canvass or recount if the appropriate board of canvassers determines that the person who cast the ballot is ineligible to vote.

The bill also permits an elector who is eligible to obtain a Wisconsin identification card to obtain the card from DOT free of charge, if the elector specifically requests not to be charged. The bill permits an applicant to receive a Wisconsin identification card without a photograph being taken, as currently required, if the applicant provides an affidavit stating that he or she has sincerely held religious beliefs against being photographed, that he or she is a member of a religious organization or identifies with the tenets of a religious organization and names that organization, and that the religious tenets of that organization prohibit such photographing.

***Absentee voting at residential care apartment complexes and adult family homes***

Currently, municipalities must send two special voting deputies (one designated by each major political party if the party wishes) to conduct absentee voting in nursing homes. Municipalities may also send the deputies to conduct absentee voting in community-based residential facilities and retirement homes that qualify for the service in accordance with standards prescribed by law. This bill permits municipal clerks and boards of election commissioners to send two special voting deputies to conduct absentee voting in adult family homes and residential care apartment complexes that qualify for the service in accordance with similar standards prescribed by law.

***Prevention of voting by ineligible felons***

Currently, any person who is convicted of a felony is not eligible to vote. However, if the person is pardoned or the person completes his or her sentence, the person's voting rights are restored. A person who is on probation, parole, or extended supervision has not completed his or her sentence. Under current law, there is no procedure that election officials must use to identify felons who are ineligible to vote and to prevent them from voting.

This bill directs the Department of Corrections (DOC) to transmit electronically to the Elections Board, on a continuous basis, a list containing the names of each

**BILL**

person who has been convicted of a felony under the laws of this state and whose voting rights have not been restored, together with the date on which DOC expects his or her voting rights to be restored. (The voting rights of a convicted felon are restored if the felon is pardoned or if the felon is released from incarceration and is not on parole, probation or extended supervision.) The bill directs the board to enter the information received from DOC on the statewide voter registration list and to maintain the information on that list so that the information is kept current. Under the bill, the information is open to public inspection. The bill also directs the board to enter on the poll list prepared for each election a notation after the name of any elector who is ineligible to vote on that date because the person's name appears on the current list that DOC provides. In addition, the bill directs the board to provide for each polling place at each election a list of persons whose names do not appear on the registration list but whose names appear on the current list that DOC provides and whose addresses are located within the area served by the polling place. These lists are open to public inspection. The bill requires poll workers to check the lists and to inform any person whose names appear on the lists that they are ineligible to register to vote or to vote. A person whose name appears on a list and who claims to be eligible to vote may still be allowed to vote, but the person must vote by ballot. The ballot is marked for later examination and it may be reviewed and discounted during a canvass or recount if the appropriate board of canvassers determines that the person who cast the ballot is ineligible to vote.

The bill also requires every person who registers to vote, to affirm specifically that he or she has not been convicted of a felony for which he or she has not been pardoned and, if so, whether the person is incarcerated or on probation, parole, or extended supervision resulting from that conviction. Currently, the law requires a person who registers at a polling place only to affirm that he or she is not disqualified on any ground from voting, and does not require any similar affirmation from other late registrants.

In addition, the bill directs the Elections Board to conduct a postelection audit after each election to determine whether any ineligible felons have been allowed to register and vote after the close of registration. If so, the board is directed to enter a notation reflecting this ineligibility on the registration list and to provide the names of these felons to the district attorney.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report concerning the proposed penalty and the costs or savings that are likely to result if the bill is enacted.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

23 of an elector who wishes to register to vote appears on the list, the special registration

19 I have not voted at this election and am properly registered to vote in this election."  
20 The person shall be required to provide acceptable proof of residence as provided  
21 under sub. (7) and shall then be given the right to vote. If the elector cannot provide  
22 acceptable proof of residence, the statement shall be certified by the elector and shall  
23 be corroborated in a statement that is signed by any other elector who resides in the  
24 municipality and that contains the current street address of the corroborating  
25 elector. The corroborator shall then provide acceptable proof of residence as provided

17 registrants with the list containing the names transmitted to the board by the  
18 department of corrections under s. 301.03 (20) as of election day but whose names  
19 do not appear on the poll lists for the election because the names were added after

21 name of any person whose name appears on the list transmitted under s. 301.03 (20)  
22 has been added to the registration list, the board shall enter on the list the  
23 information transmitted to the board under s. 301.03 (20) and shall notify the district

21 The inspector shall distinctly announce that he or she has "a ballot offered by ....  
22 (stating person's name), an elector who, as a result of disability, is unable to enter the

7 6.86 (1) (ar) Except as authorized in ~~s.~~ ss. 6.873 (3) (b) and 6.875 (6), the  
8 municipal clerk shall not issue an absentee ballot unless the clerk receives a written  
9 application therefor from a qualified elector of the municipality. The clerk shall  
10 retain each absentee ballot application until destruction is authorized under s. 7.23

16 application until destruction is authorized under s. 7.23 (1). Except as authorized  
17 in s. 6.79 (6) and this paragraph, if an elector applies for an absentee ballot in person  
18 at the clerk's office, the clerk shall not issue the elector an absentee ballot unless the  
19 elector presents an identifying document. If the elector cannot provide an identifying  
20 document on behalf of the elector, the clerk shall permit the elector to cast his or her  
21 ballot, but shall advise the elector that his or her ballot will be challenged under s.  
22 6.92 (1m). The clerk shall make a copy of any document presented by the elector and  
23 shall enclose the copy in the certificate envelope.

24 **SECTION 36.** 6.86 (3) (a) 1. of the statutes is amended to read:

**BILL**

1           6.86 (3) (a) 1. Any elector who is registered and who is hospitalized, may apply  
2 for and obtain an official ballot by agent. The agent may apply for and obtain a ballot  
3 for the hospitalized absent elector by presenting a form prescribed by the board and  
4 containing the required information supplied by the hospitalized elector and signed  
5 by that elector and ~~any other elector residing in the same municipality as the~~  
6 ~~hospitalized elector, corroborating the information contained therein. The~~  
7 ~~corroborating elector shall state on the form his or her full name and address. Except~~  
8 as authorized for an elector who has a confidential listing under s. 6.47 (2) and this  
9 subdivision, the agent shall present an identifying document. If the agent cannot  
10 provide an identifying document on behalf of the elector, the clerk shall permit the  
11 agent to cast ballot on behalf of the elector, but shall advise the agent that the  
12 elector's ballot will be challenged under s. 6.92 (1m). The clerk shall make a copy of

19 the agent shall present a completed registration form that contains the required  
20 information supplied by the elector and the elector's signature, unless the elector is  
21 unable to sign due to physical disability. In this case, the elector may authorize  
22 another elector to sign on his or her behalf. Any elector signing a form on another  
23 elector's behalf shall attest to a statement that the application is made on request  
24 and by authorization of the named elector, who is unable to sign the form due to  
25 physical disability. The agent shall present this statement along with all other

1 information required under this subdivision. ~~Except as otherwise provided in this~~  
2 ~~subdivision, the~~ The agent shall in every case provide acceptable proof of the elector's  
3 residence under s. 6.55 (7). ~~If the agent cannot present this proof, the registration~~  
4 ~~form shall be signed and substantiated by another elector residing in the elector's~~  
5 ~~municipality of residence, corroborating the information in the form. The form shall~~  
6 ~~contain the full name and address of the corroborating elector. The agent shall then~~  
7 ~~present acceptable proof of the corroborating elector's residence under s. 6.55 (7).~~

8 **SECTION 38.** 6.869 of the statutes, as created by 2003 Wisconsin Act 265, is  
9 amended to read:

10 **6.869 Uniform instructions.** The board shall prescribe uniform instructions  
11 for absentee voters. The instructions shall include information concerning whether  
12 identification is required under s. 6.87 (4) or an identifying document is required  
13 under s. 6.86 (1) (ar) and information concerning whether a copy of identification is  
14 required to be submitted and, if so, the form of identification that is required.

15 **SECTION 39.** 6.87 (3) (d) of the statutes is amended to read:

16 6.87 (3) (d) A municipal clerk of a municipality may, if the clerk is reliably  
17 informed by an absent elector of a facsimile transmission number or electronic mail  
18 address where the elector can receive an absentee ballot, transmit a facsimile or  
19 electronic copy of the absent elector's ballot to that elector in lieu of mailing under  
20 this subsection if, in the judgment of the clerk, the time required to send the ballot  
21 through the mail may not be sufficient to enable return of the ballot by the time  
22 provided under sub. (6). An elector may receive an absentee ballot under this  
23 subsection only if the elector has filed a valid application for the ballot under sub. (1).  
24 If the clerk transmits an absentee ballot under this paragraph, the clerk shall also  
25 transmit a facsimile or electronic copy of the text of the material that appears on the

**BILL**

1 certificate envelope prescribed in sub. (2), together with instructions prescribed by  
2 the board. The instructions shall require the absent elector to make and subscribe  
3 to the certification as required under sub. (4) (b) and to enclose the absentee ballot  
4 in a separate envelope contained within a larger envelope, that shall include the  
5 completed certificate. The elector shall then mail the absentee ballot with postage  
6 prepaid to the municipal clerk. Except as authorized in s. 6.97 (2), an absentee ballot  
7 received under this paragraph shall not be counted unless it is cast in the manner  
8 prescribed in this paragraph and in accordance with the instructions provided by the  
9 board.

10 **SECTION 40.** 6.87 (4) of the statutes, as affected by 2003 Wisconsin Act 265,  
11 section 112a, is renumbered 6.87 (4) (b) 1. and amended to read:

12 6.87 (4) (b) 1. Except as otherwise provided in s. 6.875, the elector voting  
13 absentee shall make and subscribe to the certification before one witness. The  
14 absent elector, in the presence of the witness, shall mark the ballot in a manner that  
15 will not disclose how the elector's vote is cast. The elector shall then, still in the  
16 presence of the witness, fold the ballots so each is separate and so that the elector  
17 conceals the markings thereon and deposit them in the proper envelope. If a  
18 consolidated ballot under s. 5.655 is used, the elector shall fold the ballot so that the  
19 elector conceals the markings thereon and deposit the ballot in the proper envelope.  
20 Except as authorized in subds. 2. to 4. and s. 6.875 (6) and this subdivision and  
21 notwithstanding s. 343.43 (1) (f), the elector shall enclose a copy of the identifying  
22 document under s. 6.86 (1) (ar) in the envelope, unless the elector is a military elector  
23 or an overseas elector or the elector has a confidential listing under s. 6.47 (2). If the  
24 elector has registered by mail and has not, or is not certain whether the elector has,  
25 previously voted in an election for national office in this state identification is

**BILL**

1 required and the document enclosed by the elector under this subdivision does not  
2 constitute identification, the elector shall also enclose identification in the envelope.  
3 Identification is required if the elector is not a military elector or an overseas elector,  
4 ~~as defined in s. 6.36 (2) (c)~~, and the elector registered by mail and has not voted in  
5 an election for national office in this state. The elector may receive assistance under  
6 sub. (5). The return envelope shall then be sealed. The witness may not be a  
7 candidate. The envelope shall be mailed by the elector, postage prepaid, or delivered  
8 in person, to the municipal clerk issuing the ballot or ballots. Failure to return an  
9 unused ballot in a primary does not invalidate the ballot on which the elector's votes  
10 are cast. Return of more than one marked ballot in a primary or return of a ballot  
11 prepared under s. 5.655 or a ballot used with an electronic voting system in a primary  
12 which is marked for candidates of more than one party invalidates all votes cast by  
13 the elector for candidates in the primary.

14 **SECTION 41.** 6.87 (4) (a) of the statutes is created to read:

15 6.87 (4) (a) In this subsection:

17 who, by reason of that duty, is absent from the residence where the member is  
18 otherwise qualified to vote; a member of the merchant marine, as defined in s. 6.22  
19 (1) (a), who, by reason of service in the merchant marine, is absent from the residence  
20 where the member is otherwise qualified to vote; or the spouse or dependent of any  
21 such member who, by reason of the duty or service of the member, is absent from the  
22 residence where the spouse or dependent is otherwise qualified to vote.

23 2. "Overseas elector" means an elector who resides outside the United States  
24 and who is qualified under federal law to vote in elections for national office in this

**BILL**

1 state because the elector was last domiciled in this state immediately prior to the  
2 elector's departure from the United States.

3 **SECTION 42.** 6.87 (4) (b) 2. to 4. of the statutes are created to read:

4 6.87 (4) (b) 2. Unless subd. 3. applies, if the absentee elector has applied for and  
5 qualified to receive absentee ballots automatically under s. 6.86 (2) (a), the elector  
6 may, in lieu of providing the identifying document required under s. 6.86 (1) (ar),  
7 submit with his or her absentee ballot a statement signed by the same individual who  
8 witnesses voting of the ballot which contains the name and address of the elector and  
9 verifies that the name and address are correct.

10 3. If the absentee elector has received an absentee ballot from the municipal  
11 clerk by mail for a previous election, has provided an identifying document required  
12 under s. 6.86 (1) (ar) with that ballot, and has not changed his or her name or address  
13 since providing that identification, the elector is not required to provide the  
14 identifying document required under s. 6.86 (1) (ar).

15 4. Unless subd. 3. applies, if the absentee elector resides in a residential care  
16 apartment complex that is certified or registered under s. 50.034 (1) or an adult
