1 **AN ACT** *to create* 167.31 (4) (bt) of the statutes; **relating to:** authorizing a person
2 to transport an unencased firearm in a motor vehicle under certain
3 circumstances.

Analysis by the Legislative Reference Bureau

In general, current law prohibits placing, possessing, or transporting a firearm in or on a vehicle unless the firearm is unloaded and completely enclosed in a case that is made for the purpose of storing a firearm. A person who violates this prohibition is subject to a forfeiture of not more than \$100. Current law contains a number of exceptions to this prohibition, including several that relate to hunting.

This bill creates a new exception to this prohibition. Under the bill, the prohibition does not apply if: 1) the firearm is unloaded; 2) the vehicle is a self-propelled motor vehicle with four rubber-tired wheels; 3) the vehicle is not certified by the manufacturer for on-road use; 4) the vehicle is not an all-terrain vehicle; 5) the vehicle is being used to transport individuals involved in sport shooting activities at sport shooting ranges and is not being used to transport individuals involved in hunting; and 6) the vehicle is being operated entirely on private property and is not being operated in the right-of-way of any highway.
