2005-2007 Biennial Budget
Statutory Language Request**

Topic: Sex Offender Management Appropriation

Current Language

None

Proposed Change

Create a continuing PR-O state operations appropriation at §20.410(1)(gd) that will be used by the Department to deposit revenues from a new sex offender registration fee and provide statutory authority for the Department to charge a fee to those persons required to register on the sex offender registry.

§20.410(1)(gd) *Sex offender management.* All moneys received from sex offenders who are required to pay the annual sex offender registration fee as prescribed by rule in accordance with s. 301.133 [new statutory site], for the supervision of probationers, parolees and persons on extended supervision.

§301.133 (1) In this section "sex offender" means a person in the custody of the department who meets any of the criteria specified in s. 301.45(1g).

(2) The department may require a sex offender to pay an annual \$50 fee to partially offset the costs of monitoring probationers, parolees and persons on extended supervision.

Effect of the Change

This change will create a new PR-O appropriation for the Department that will be used to offset the costs of monitoring probationers, parolees and persons on extended supervision, including those on the sex offender registry.

Rationale for the Change

The number of sex offenders on the sex offender registry has increased considerably over the years, which requires increased staff time in the Department's Sex Offender Management Unit and the Monitoring Center. The Department is requesting to collect a \$50 annual offender registration fee to offset the costs of staff providing services in these units.
