I can only shake my head in disbelief.

Please adjust the PIF transfer so that we transfer \$8,930,300 in FY06 and \$41,930,300 in FY07 (there will be a \$30 million transfer in FY05).

Andrew,

I talked to Dave. He's fine with the switch as long as he doesn't lose anything for the general fund, so please do the file maintenance (work with Deb again on the GPR amount) to make the switch.

Bill -- Dave is still looking at the PIF need, but we will assume that we are moving \$4 million forward to FY06 from FY07.

Thanks,

Kirsten

Dave,

I'm running into balance problems with the conservation fund in FY06. Could we swap forestry debt service payments with PIF transfer between the years -- i.e., Stew debt from Forestry would be \$20 million in FY06 and \$19.5 million in FY07; PIF transfer would be \$8 million in FY06 and \$41 million in FY07?

Thanks,

Kirsten

Now instead of \$30,860,600 in FY07, please make the transfer \$10,860,600 in FY06 and \$20,000,000 in FY07. For clarity: it's the same total dollar amount but with \$20 million in FY07 and the remainder in FY06.
