18 a Wisconsin resident at the time of entry into service or was a resident for any  
19 consecutive 12-month period after entry into service and before the date of his or her

13           4. Reimbursement of tuition for a course may be provided at an institution or  
14 school under this paragraph other than the one from which the veteran is receiving  
15 his or her degree or certificate of graduation or course completion if all of the

9 treatment program that is approved by the department. No payment may be made  
10 under this subsection if the veteran has other assets or income available to meet  
11 basic subsistence needs or if the veteran is eligible to receive aid from other sources  
12 to meet those needs.

23 the health care provided, the amount of the payment, the amount of the recipient's  
24 health insurance or other 3rd-party payments, if any, and the amount that the  
25 department determines the veteran is capable of paying. The department may not

1 pay health care aid under this subsection if the liquid assets of the veteran are in  
2 excess of \$1,000.

3 **(2m) DEPENDENTS ELIGIBILITY.** (a) The unremarried spouse and dependent

8 established under sub. (3m).

9 (b) The spouse and dependent children of a member of the U.S. armed forces  
10 or of the Wisconsin national guard who has been activated or deployed to serve in the

23 request to the joint committee on finance for supplemental funds from the veterans  
24 trust fund to be credited to the appropriation account under s. 20.485 (2) (vm) to  
25 provide payments under this section. The joint committee on finance may, from the

2 (2) (vm) in an amount equal to the amount that the department expects to expend  
3 under this section. If the cochairpersons of the committee do not notify the  
4 department that the committee has scheduled a meeting for the purpose of reviewing
