**Subject:** Amendment Drafts

Aaron,

Please draft the following three amendments for me:

1. Page 994, line 16: delete "In the 2005-07 biennium" and insert "Except as provided in paragraph (a), in the 2005-07 biennium".

Page 994, line 20: after that line insert: "(b) If the village of New Glarus agrees with the Department of Transportation that a lower cost improvement project would provide substantially similar safety enhancements as the project under paragraph (a), the Department of Transportation may construct the lower cost improvement project instead of constructing the project under paragraph (a).".

2. Page 997, line 24: delete "\$480,000" and substitute "\$576,000".

3. Delete the authority of DOT to use a design-build procurement process for the bridge in Door County under s. 84.115.

These drafts may end up in a "technical" amendment, but for now draft them as separate items. If there is a "technical", we could add the really technical change Jon talked about with you earlier today, instead of relying on a chief clerk's correction.

Thanks. Call me if you have any questions (6-7845).

Fred
