20 (4w) PASSENGER RAIL SERVICE.

21 (a) The department of transportation may submit, in each fiscal year of the  
22 2005–07 biennium, a request to the joint committee on finance to supplement the  
23 appropriation under section 20.395 (2) (cr) of the statutes by up to \$572,700 in fiscal  
24 year 2005–06 and up to \$629,900 in fiscal year 2006–07 from the appropriation  
25 account under section 20.865 (4) (u) of the statutes for passenger rail service. Any

1 request submitted under this paragraph shall be submitted by the due date for  
2 agency requests for the joint committee on finance's second quarterly meeting under  
3 section 13.10 of the statutes of the year in which the request is made. The committee  
4 may supplement the appropriation under section 20.395 (2) (cr) of the statutes by up  
5 to \$572,700 in fiscal year 2005–06 and up to \$629,900 in fiscal year 2006–07 from the  
6 appropriation account under section 20.865 (4) (u) of the statutes for passenger rail  
7 service and, notwithstanding section 13.101 (3) of the statutes, the committee is not  
8 required to find that an emergency exists prior to making the supplementation.

9 (b) If the joint committee on finance determines that the moneys provided  
10 under section 20.395 (2) (cr) and (cx) of the statutes are sufficient for passenger rail  
11 service in any fiscal year of the 2005–07 biennium, the committee may:

12 1. Supplement, by up to to \$572,700 in fiscal year 2005–06 and up to \$629,900  
13 in fiscal year 2006–07 from the appropriation account under section 20.865 (4) (u) of  
14 the statutes, other department of transportation appropriations. Notwithstanding  
15 section 13.101 (3) of the statutes, the committee is not required to find that an  
16 emergency exists prior to making the supplementation.

17 2. Transfer moneys from the appropriation account under section 20.395 (2)  
18 (cx) of the statutes that are not needed for passenger rail services to other  
19 department of transportation appropriations. Notwithstanding section 13.101 (4) of  
20 the statutes, the committee is not required to find, prior to making the transfer, that  
21 unnecessary duplication of functions can be eliminated, more efficient and effective  
22 methods for performing programs will result, or legislative intent will be more  
23 effectively carried out because of such transfer.

24 (c) If the committee approves a supplement under paragraph (a), the committee  
25 may supplement, by the amount by which the supplement it approves under

1 paragraph (a) is less than \$572,700 in fiscal year 2005–06 or \$629,900 in fiscal year  
2 2006–07, other department of transportation appropriations. Notwithstanding  
3 section 13.101 (3) of the statutes, the committee is not required to find that an  
4 emergency exists prior to making the supplementation.

5 (d) If, in considering a request made under paragraph (a), the joint committee  
6 on finance determines that \$572,700 in fiscal year 2005–06 or \$629,900 in fiscal year  
7 2006–07 is not sufficient to fund passenger rail service, the committee may  
8 supplement the appropriation account under section 20.395 (2) (cr) of the statutes,  
9 from the appropriation under section 20.865 (4) (u) of the statutes, by an amount that  
10 would not cause the transportation fund to have a negative balance.  
11 Notwithstanding section 13.101 (3) of the statutes, the committee is not required to  
12 find that an emergency exists prior to making the supplementation.
