Subject: Senate Dem amendments

We would like the following amendments drafted:

Expediting the 1cent reduction from PECFA phase-in from May 1st to March 1st of the same year.
(as Becky and I spoke of earlier)

Budget summary page 273 has the deductions for medical insurance premiums and a three year phase-in.
Senate Dems would like to phase it in over 2 years at 50-100%

Please call me if I need to clarify something or if we need to readjust our intentions.

Thanks for your help,

Social security and health care premiums deduction is Marc Shovers (266-0129) and PECFA is Becky Tradewell (266-7290). If you prefer, I can have them call you.

Cathlene,

Could you direct me to the people I should be talking to about the following:

A change to the Social Security Exemption Phase Out

A change to the PECFA reduction

A change in the current proposal to the deduction of Health Care Premiums

We would like to draft amendments dealing with all three, but I have some questions about direction.
