

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBb0734/1dn

JK:cjs:rs

June 27, 2005

Senator Robson:

This amendment increases county and municipal aid payments by the inflation factor used to determine eligibility for expenditure restraint program payments. That inflation factor is a percentage equal to the average annual percentage change in the U.S. consumer price index for all urban consumers, U.S. city average, as determined by the U.S. department of labor, for the 12 months ending on September 30 of the year before each county and municipality receives its statement of estimated aid payments.
